

An Artist's View of How Babies Should Be Registered

Is Your Baby's Birth Recorded?

It is very important that it should be:---

- To prove his age and citizenship,
- To prove his right to go to school,
- To prove his right to work,
- To prove his right to an inheritance,
- To prove his right to marry,
- To prove his right to secure passports for foreign travel,
- To prove his mother's right to a widow's pension.
